

EZducate Visual Schedule — Complete Guide

Plan routines, drag & drop activities, use AI suggestions, and motivate with rewards.

What you'll learn:

- Build a daily plan from the Home dashboard
- Add activities (or create your own with photos)
- Drag & drop tasks directly onto calendar dates
- Use AI Suggest to auto-sequence a routine
- Apply to multiple days and export to PDF
- Understand calendar colors (Today/Complete/Incomplete/Partial/No Tasks/Future)
- Motivate with tokens & the Rewards Store

1) Home — Today's Schedule & Rewards

View the day at a glance and keep motivation visible.

Export as PDF (printable day plan)

Today's Schedule with time, duration, and tags.

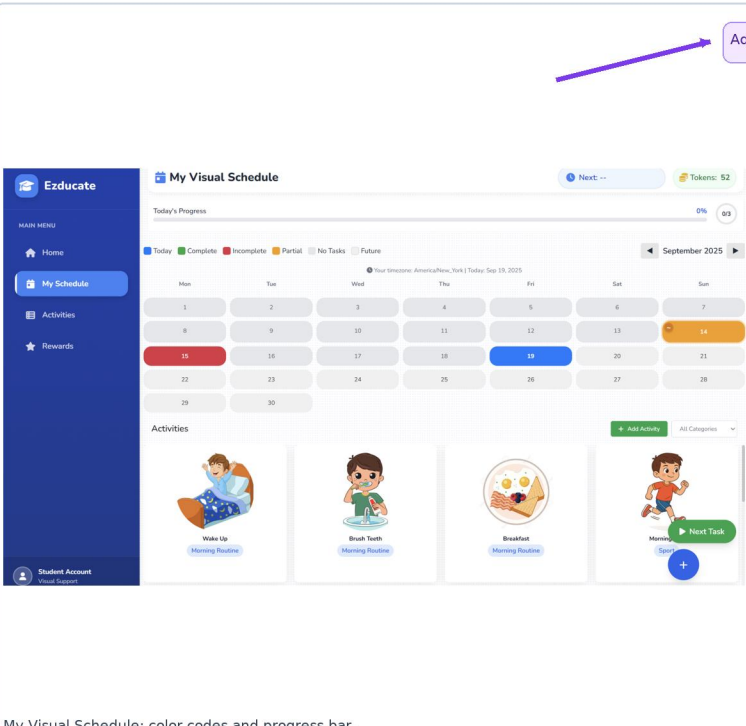

Export as PDF (printable day plan)

Rewards Store with token costs and Redeem buttons.

Add Reward (choose icon or upload)

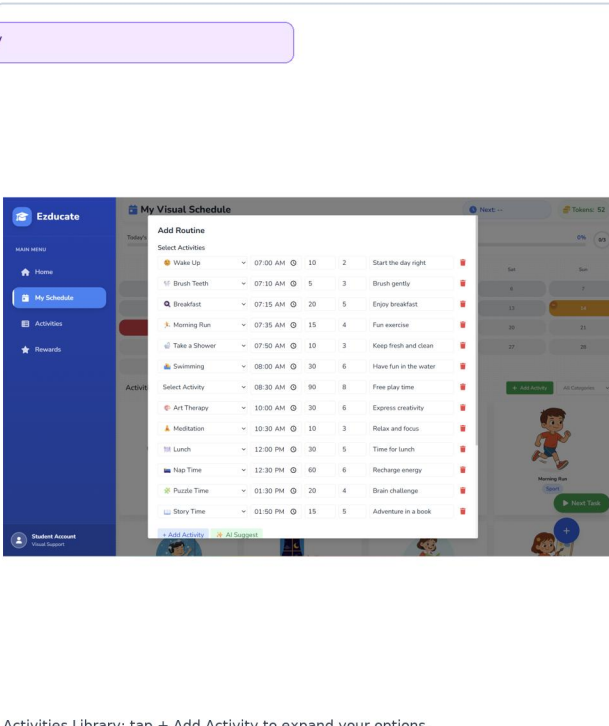

2) Calendar & Activities Library

Preview weeks, check progress, and pick activities.

The screenshot shows the 'My Visual Schedule' interface. At the top, there's a 'Next' button and a 'Tokens: 52' indicator. Below this is a progress bar for 'Today's Progress' showing 0% completion. A calendar for September 2025 is displayed, with dates 1 through 30. The calendar uses color coding: red for 'Today' (16), green for 'Complete' (19), and orange for 'Partial' (14). Below the calendar, there are four activity cards: 'Wake Up', 'Brush Teeth', 'Breakfast', and 'Morning Run'. Each card has an icon and a 'Next Task' button. A purple arrow points from the 'Add Activity' button to the 'Add Activity' text in the top right corner.

My Visual Schedule: color codes and progress bar.

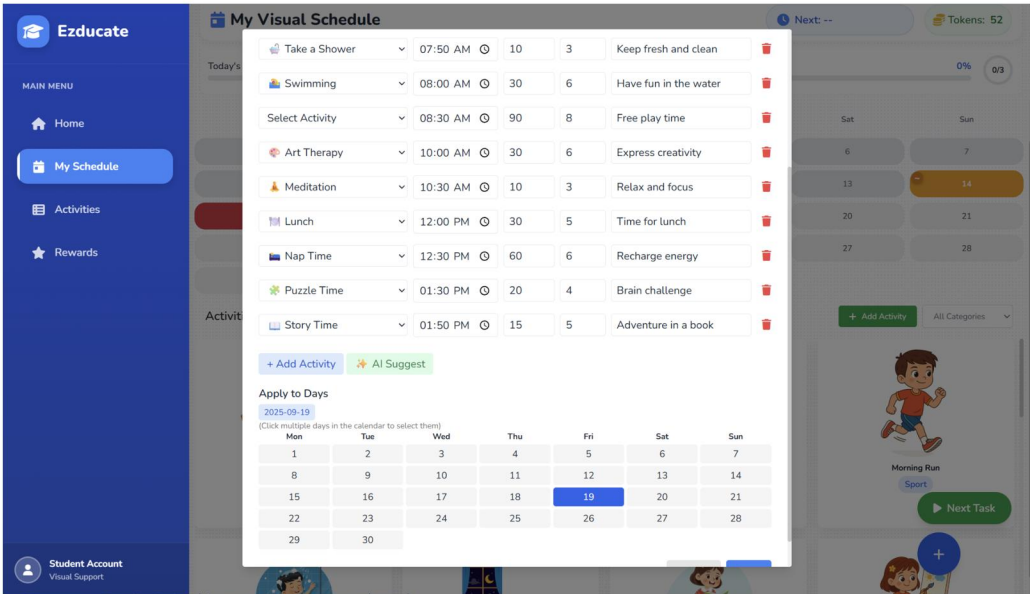

The screenshot shows the 'Activities Library' interface. It features a list of activities with columns for activity name, time, duration, and frequency. The activities include: 'Wake Up' (07:00 AM, 10, 2), 'Brush Teeth' (07:10 AM, 5, 3), 'Breakfast' (07:15 AM, 20, 5), 'Morning Run' (07:35 AM, 15, 4), 'Take a Shower' (07:50 AM, 10, 3), 'Swimming' (08:00 AM, 30, 6), 'Select Activity' (08:30 AM, 90, 8), 'Art Therapy' (10:00 AM, 30, 6), 'Meditation' (10:30 AM, 10, 3), 'Lunch' (12:00 PM, 30, 5), 'Nap Time' (12:30 PM, 60, 6), 'Puzzle Time' (01:30 PM, 20, 4), and 'Story Time' (01:50 PM, 15, 5). Each activity has a 'Next Task' button. A purple arrow points from the 'Add Activity' button to the 'Add Activity' text in the top right corner.

Activities Library: tap + Add Activity to expand your options.

3) Create Your Own Activity

Short, concrete names. Emoji or your own photo for fast recognition.

The screenshot shows the Ezducate app interface. On the left is a blue sidebar with a 'MAIN MENU' containing 'Home', 'My Schedule' (selected), 'Activities', and 'Rewards'. At the bottom of the sidebar is a 'Student Account' section with a profile icon and 'Visual Support' text. The main area is titled 'My Visual Schedule' and shows a list of activities with icons, names, times, and durations. A modal window is open for adding a new activity, featuring a calendar to select days. The calendar shows the date 2025-09-19 selected. Below the calendar is a table with days of the week and dates.

Mon	Tue	Wed	Thu	Fri	Sat	Sun
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30					

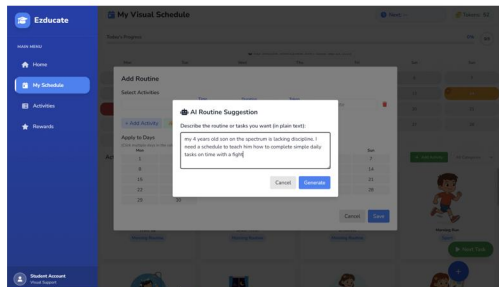

Below the calendar, there is a section for 'Apply to Days' with a date selector and a note: '(Click multiple days in the calendar to select them)'. Below this is a table with days of the week and dates.

Mon	Tue	Wed	Thu	Fri	Sat	Sun
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30					

At the bottom of the modal, there is a section for 'Add New Activity' with a form to enter the activity name, category, emoji, and upload image. The form is currently empty.

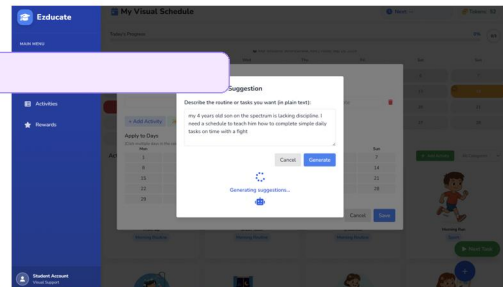

4) Add a Routine in Seconds

Manual or AI-assisted—your choice.

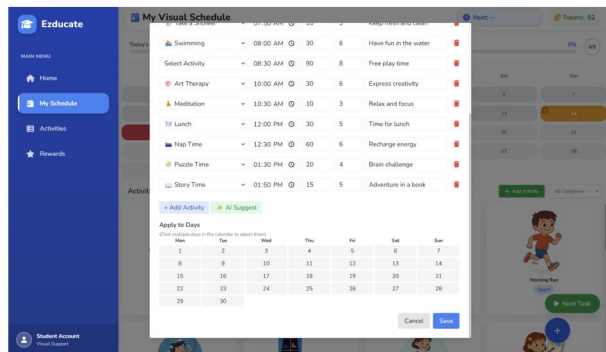

Describe the schedule you want in plain text.

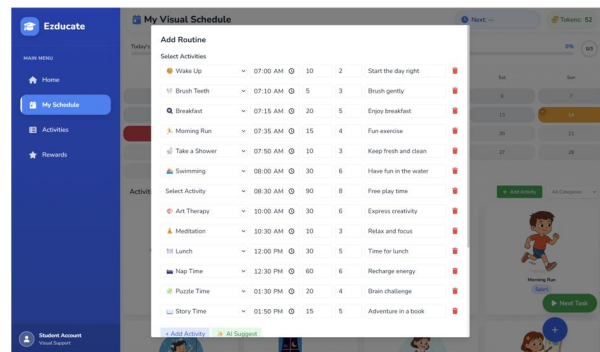

Click Generate

AI generates suggestions for you to review.

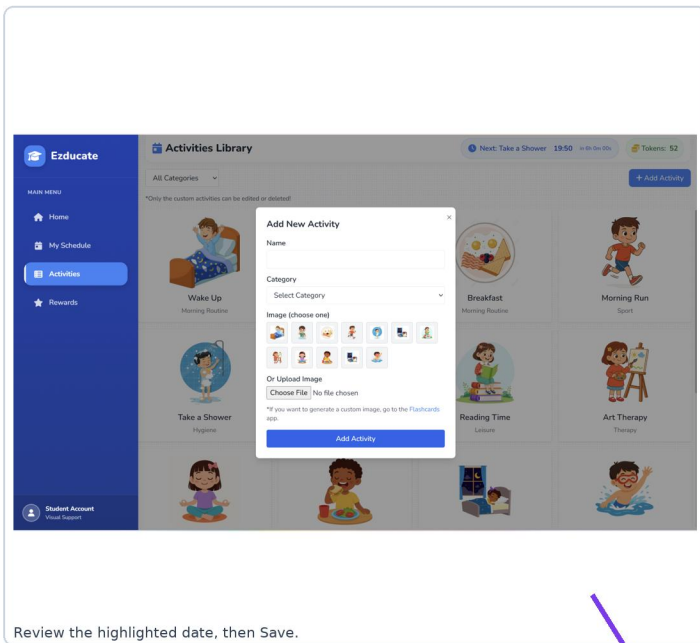

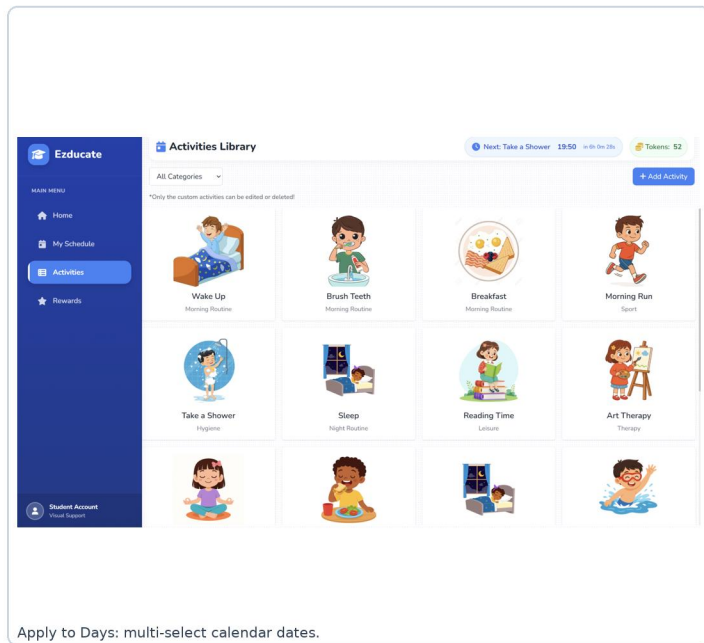

AI-proposed timeline: tweak times, durations, and token values.

Prefer manual? Pick from the library and add items one by one.

5) Apply to Multiple Days & Save

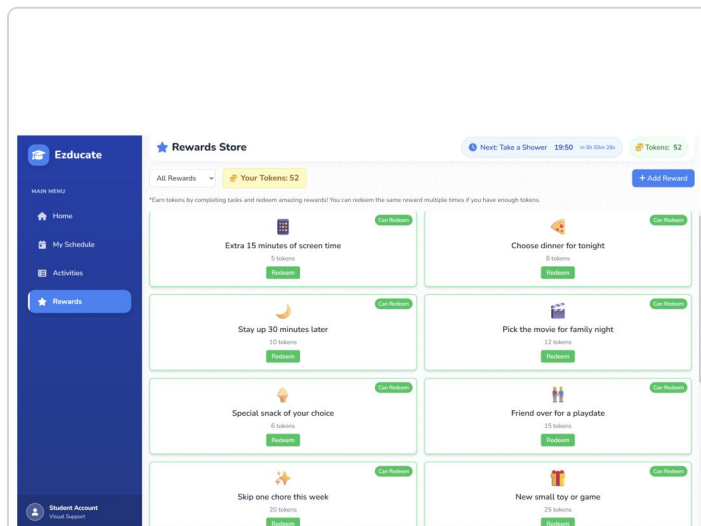

Repeat routines across the week with one click.

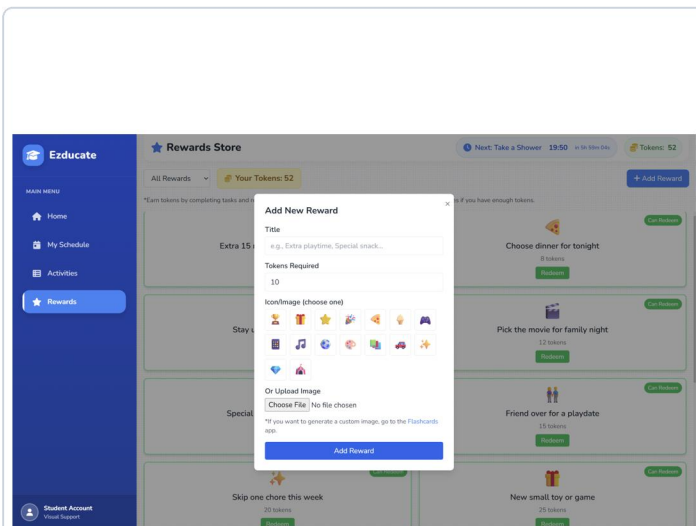

Save routine

6) Motivate with Rewards

Earn tokens for completing tasks; trade them for choices kids love.

Redeemable items show 'Can Redeem' when the token goal is met.

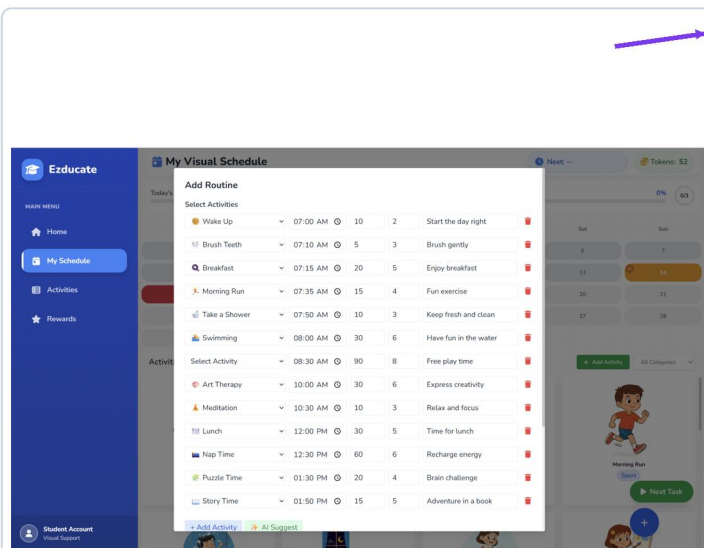

Add New Reward: set tokens required, choose an icon, or upload a picture.

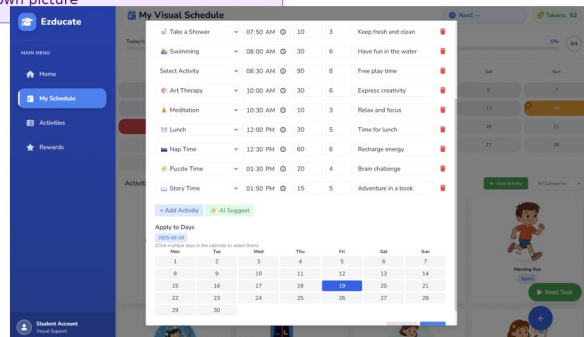

Add Reward

Customization, Drag-and-Drop, and Date Colors

Build from the list, create your own with photos, or drag cards directly onto dates.

Upload your own picture

Add Activity: Name · Category · Emoji · Upload.

Drag & Drop:

From the Activities list, drag an activity card onto a date in the calendar to assign it instantly.

Calendar Colors:

Today

Complete

Incomplete

Partial

No Tasks
